Forms - Participation - The Department of Education

Mies understood that the geometry of his building would be perfect until people got involved. Once people moved in, they would be putting ornamental things along the window sills, they would be hanging all different kinds of curtains, and it would destroy the geometry.

The Participation Works

The Participation Knowledge Hub is an evidence-based online resource for sharing information about child and youth participation. The materials that are available on the Participation Knowledge Hub, including Participation Tip Sheets, success stories, and research summaries, have been developed with input from families, service providers, and researchers.

A Help: Profile & Community Guidelines

About SALTO Participation & Information. Active Participation of young people in democratic life is a priority of the European Erasmus+: Youth in Action programme.

Composito - Manual on Human Rights Education for Children

The Life Participation team designs and develops solutions that make people's lives better. The starting point of what we do is an attention to people's needs in terms of emotional and physical wellbeing.

Child Participation | HREA

The Aarhus Convention and its Protocol on PRTRs empower people with the rights to access information, participate in decision-making in environmental matters and to seek justice. They are the only legally binding global instruments on environmental democracy. Their powerful twin protections for the environment and human rights can help us respond to many challenges facing our world: from ...
